The company A+H GmbH, hereinafter referred to as the Contractor, undertakes to pay the minimum wage in accordance with § 20 of the Minimum Wage Act in good time during the term of the contract.

The Contractor undertakes not to have the services owed by him performed by a subcontractor.

The Contractor shall oblige the subcontractor in writing to perform the services owed himself and to pay the minimum wage in accordance with § 20 of the Minimum Wages Act in good time.

The Contractor shall oblige the subcontractor to ensure that, if further subcontractors are used, the subcontractor shall also contractually assume the obligation to pay the minimum wage in due time in accordance with § 20 of the Minimum Wage Act.

At the same time we declare that the client will be indemnified by us in the event of any infringement. This means that the client will be indemnified in a legally binding manner in the internal relationship for every case of a possible violation of the law from claims for compensation by third parties.
